Dear Mr. Manley.

We are planning to come
North on the week end of July 14.
I'm wondering if you could
give me the names and addresses
of some clubs in the area. At
the present we have defeated
every Southern League we have
played, having defeated Asheville
here yesterday 13 to 3.

On our first trip, we would
like to play about four games in
the larger cities just for an entrance.
At the same time, I would like
to secure about a half dozen balls
if you can spare them
Participating an immediate reply,
Yours in sports,
Th. A. "Pete" Wheeler.
